#### THANK YOU FOR YOUR PURCHASE!

A receipt will be sent to your e-mail address. Until then, print a copy of this completed form for your records.

#### **IMPORTANT:**

When we receive payment we will immediately send an email with your download link for: CUSTOMERASSISTANT 4.02.EXE

#### **INSTRUCTIONS:**

- 1. The Perl Program comes complete in a Setup wrapper customerassistant\_v.4.0b.exe.
- 2. Simply double click and follow the Wizard's guide to unwrap the Program on your Computer.
- 3. Browse to that location and open the *readme.txt* in the (root dir)/ca folder.
- Next, open and read the <u>readme.html</u> file in the same dir to get started with your installation. (this file will auto-direct you to our <u>online documentation</u> for installation)
